Message from Supervisor

Dear Josephians & Distinguished Guests,

A warm welcome to our Annual Academic Prize-giving Ceremony!

Thank you for coming to celebrate and give recognition to our students who have excelled in the academic field. We are proud that these Josephians have put in so much effort and hard work in their pursuit of academic excellence. The prizes they receive today are just a small token of encouragement on the part of the school to show that she acknowledges students' diligence in their studies and is in the hope that they will continue to push their academic boundaries further and bring about some good to society with this knowledge.

Of course, let us not forget that God is always the main source of our wisdom and only He can grant us this great gift to complement the knowledge that we acquire. As Josephians, we are reminded that we have a duty to uplift the lives of the poor and the less privileged.

Today, we are honoured to have one of our distinguished alumni, Professor SIN WAI CHING, SIMON, class of 1994, to be our Guest-of-Honour. Professor Sin is a Clinical Associate Professor in the Critical Care Medicine Unit, School of Clinical Medicine at the University of Hong Kong. I am sure he will be a good role model for our Josephians, especially those who have an interest in medicine. We thank Professor Sin for taking time out from his busy schedule to celebrate this occasion with Josephians.

I would also like to take this opportunity to thank Ms. Suen Lam, Adrian Chau (5E), all supporting teachers and the Value Education and Academic Promotion Team for organizing today's event so efficiently. God bless.

Live Jesus in our hearts!

Brother Jeffrey CHAN, FSC

Mr Tik Man KWOK

Message from Principal

Dear Guests, Parents, Teachers, and Josephians,

It is my utmost pleasure to welcome you all to our Annual Academic Prize-giving Ceremony 2024.

Today, we gather to celebrate the remarkable achievements of our students, who have demonstrated exceptional dedication and hard work throughout the academic year. I extend my heartfelt congratulations to all our prize winners. Their accomplishments serve as an inspiration to fellow Josephians and are a testament to perseverance, intelligence, and a commitment to excellence. As we honour our students' achievements, let us also remember that education is not solely about academic success. It is about developing well-rounded individuals who are prepared to face the challenges of the future.

I am greatly privileged to have invited Professor Simon Sin Wai-ching as our Guest-of-Honour for today's Academic Prize-giving Ceremony. Professor Sin, from the class of 1994, is a few years my senior. Professor Sin is the director of Critical Care Centre at Gleneagles Hospital Hong Kong. He also serves as a Clinical Associate Professor at the University of Hong Kong, specializing in Critical Care Medicine. Notably, Professor Sin is a co-author of significant research on the comparative risks of acute kidney injury in critically ill patients with COVID-19, highlighting his contributions to advancing medical knowledge in this area.

I would also like to extend my gratitude to both parents and teachers. Your dedication to nurturing and guiding our boys is truly admirable. I also wish to thank Ms. Suen and the other staff members for their collective efforts in making this occasion successful. Additionally, I would like to acknowledge Adrian Chau (5E), the Chief Organizer, and all members of the Value Education and Academic Promotion Team for their significant contributions to today's ceremony.

I wish you all the best in the years ahead.

Warm regards,
T. M. Kwok
Principal

Professor Wai Ching Simon SIN

Message from Guest-of-Honour

Dear Esteemed Students of St. Joseph's College,

I am truly honoured to address you all at the Academic Prize-Giving Ceremony 2024. As an alumnus of this prestigious school, I am proud to see the brilliant minds that have emerged from our esteemed college. Congratulations to the prize winners and the high achievers in the Hong Kong Diploma of Secondary Education Examination (HKDSE) 2024. Your hard work and dedication have brought you to this moment of success, and I commend you for your achievements.

As a critical care physician, I have experienced the fragility of life. Time and again, I have seen how unpredictable life can be, and how crucial it is to seize every opportunity that comes our way. In this rapidly changing world, it is more important than ever to be prepared to make sacrifices for your dreams, be it in academics or other pursuits.

As you continue your journey, remember that success often demands sacrifice. It may require you to invest long hours into honing your skills, move away from your comfort zone, or make tough decisions. But these sacrifices will ultimately lead you to greater heights and help you realize your dreams.

Cherish each day, for we never know what tomorrow holds. Embrace the challenges that lie ahead, and let your passion be your guiding light. As you embark on this exciting new chapter, remember the lessons you have learned at our school. The values instilled in you will serve as the foundation upon which you build your future — “LABORE ET VIRTUTE”. The road ahead may be filled with obstacles, but with your dedication, resilience, and the support of your loved ones, there is no limit to what you can achieve. I wish you the very best in all your future endeavours.

Sincerely,

Prof. Wai Ching Simon SIN
Director of Critical Care Medicine Unit
School of Clinical Medicine
LKS Faculty of Medicine

School Song

All through our College a voice is resounding;
Promptly respond to your duty's clear call;
Harken you all for the trumpet is sounding;
Your Mater's proclaiming her watchword to all.

(Chorus)

"Labour and Virtue" your motto still bearing,
Forward with courage in ways that are just;
True to your standard be doing and daring,
As faithful Josephians in Heaven you trust.

(Chorus)

Onward and upward in life's earnest battle,
Joyously bearing the brunt of the fight,
Nobly forgiving for aught that may pain you,
And bravely defending the cause of the right.

(Chorus)

Lift up your hearts for a Kingdom awaits you,
Honour and Virtue with courage defend;
Serve Him in life, who in death can reward you,
And vow to be faithful and true to the end.

(Chorus)

Chorus:

Forward, nor flinch nor fear,
Ever with heart sincere,
Render with joy to your Mater her due;
All that is vile reject; Heaven will e'er protect,
Sons of St. Joseph's valiant and true.

SJC Academic Honour Roll 2024

SJC Foundation was established in late 2004 to mark the 130th Anniversary of the College. It was formed to raise funds for school improvement and advancement in the teaching and learning capacity of both St. Joseph's College and St. Joseph's Primary School. The Board of Trustees is chaired by distinguished old boy Dr the Hon Sir David LI Kwok-po, GBM, GBS, OBE, JP along with a group of prominent old boys from different sectors of society.

The SJC Foundation prides itself on the excellent academic achievements of our students in the very competitive Hong Kong Diploma of Secondary Education Examination (HKDSE). The graduation of these outstanding scholars from our Josephian education signifies their elevation to the more intellectually challenging university life. This year, the foundation formally honours 30 top scholars on their excellent results by their admission to the SJC Academic Honour Roll and would encourage younger SJC students to persevere in their efforts as they approach the HKDSE.
