## School Song

All through our College a voice is resounding;  
Promptly respond to your duty's clear call;  
Harken you all for the trumpet is sounding;  
Your Mater's proclaiming her watchword to all.

### *(Chorus)*

“Labour and Virtue” your motto still bearing,  
Forward with courage in ways that are just;  
True to your standard be doing and daring,  
As faithful Josephians in Heaven you trust.

### *(Chorus)*

Onward and upward in life's earnest battle,  
Joyously bearing the brunt of the fight,  
Nobly forgiving for aught that may pain you,  
And bravely defending the cause of the right.

### *(Chorus)*

Lift up your hearts for a Kingdom awaits you,  
Honour and Virtue with courage defend;  
Serve Him in life, who in death can reward you,  
And vow to be faithful and true to the end.

### *(Chorus)*

### *Chorus:*

Forward, nor flinch nor fear,  
Ever with heart sincere,  
Render with joy to your Mater her due;  
All that is vile reject; Heaven will e'er protect,  
Sons of St. Joseph's valiant and true.

### Message from Supervisor

My dear Form 6 Josephians (Class of 2023),

On this day of your graduation, I would like to offer a prayer for all of you:

Heavenly Father, as we look back on the past 6 years in SJC, our hearts have been full of praise and gratitude for entrusting these students to our care. We thank you for their time here together with us, for all the days of laughter and fun, and for the times of great discovery and learning.

We give thanks to you for the gifts, talents and skills that you have given to each and every one of the Josephians who are graduating today. We thank those who have devoted their energy and time so that these students have matured to become a better person. We are grateful to the teachers who have helped them, inspired them, and given their best to them. We are also grateful that you have given them loving parents who are always by their side in all situations, especially when they are faced with challenges. We thank you for them and give them all to you in prayer.

As this chapter of their life closes, so a new one begins. We pray that you may continue to journey with them and help them find purpose and enjoyment in their studies, in their careers, and in all that they may seek. May they continue to grow into the kind of person you would like them to be, like our Patron Saint, St. Joseph, a gentleman who acts justly, loves tenderly, and walks humbly with you, our God.

In following the example of St. John Baptist de La Salle, may our graduates never lose sight of those who are the last, the lost and the least in our society and help them rise to enjoy the same blessings which you have showered upon them. Amen.

Live Jesus in our hearts!

# Ms Wong Yuen Fan

## Message from Principal

Dear Graduates of 2023,

Congratulations! After years of hard work and dedication, you all deserve a celebration today.

We can finally embrace a graduation ceremony as usual. It is so wonderful, isn't it? It was not easy for anyone over the last three years. Some said that during the pandemic, students lost a great deal in their intellectual and personal development, which was adversely affected. Not only were they deprived of a normal school life, but also they were engaged in less social interaction.

However, I looked at it the other way round. Despite the hurdles and constraints encountered, students managed to overcome them in an innovative way by taking advantage of technology. When it comes to extra-curricular activities like concerts and competitions, although the event dates had to be rescheduled again and again, students could still stay resilient and think up new plans to respond to the unexpected, such as change of scale, conduction mode, etc. With the flexibility allowed by online learning, students' learning was literally extended beyond the classroom context. We have indeed gained a lot. Do you agree?

In less than two weeks, DSE results would be released. No matter what the outcome is, as long as you have already made your best effort, there is nothing to worry about at all.

Today, I am delighted to welcome Mr Martin Hong, a distinguished old boy from the class of 1967, as our Guest-of-Honour. Mr Hong is a renowned solicitor, notary public and civil celebrant of marriages. Most of you might have known him as the former Chairman of the Hong Kong Football Association. Over the years, Mr Hong has given his full support to SJC's sports development, especially football. Not only did he make generous donations, but also he showed genuine care and concern for our students. The outstanding performance of our sports students made this academic year is a testament to Mr Hong's support. As a loyal Josephian, Mr Hong is no doubt a great inspiration to us all.

Dear graduates, you are about to turn over a new leaf in your life. Do bear in mind that every effort counts on the road to success. I wish you all the best.

## Mr Hong Po-Kui, Martin

### Message from Guest-of-Honour

Dear Graduates of 2023,

On this joyous occasion, allow me to extend my most heartfelt congratulations to you.

It is no small feat to reach the end of your secondary school journey, and on this graduation day, I would like to first ask you to retrace your steps and reflect upon the accomplishments you have made throughout the past six or so years, all of which have brought you to this very moment. Here, I hope you could feel a sense of gratitude – not only to yourself for all the efforts you have paid to get here, but more importantly to everyone in your lives: your parents, your family, your teachers, and your brothers surrounding you.

The Josephian spirit consists of many virtues that have provided you with a firm foundation upon which you will forge your paths. However, if there is one virtue that represents St. Joseph's more than anything else, perhaps it would be that of Brotherhood. It is thanks to the brotherhood between St. John Baptist De La Salle and his Brothers that we stand here today as Josephians. Along the same vein, it is thanks to the brotherhood existing between all the tributaries in this school that you stand as the industrious, upstanding, and virtuous individuals you are today.

Now that you are graduating into the next stages of your lives as adults, ahead of you are paths that are exciting as they are daunting – infinite roads to opportunities are available for you to tread along, but just as many uncertainties may shroud you. Yet, regardless of whatever path life takes you on, I hope you will always bear in your heart the brotherhood you have found and will find in your alma mater. Be it the deep friendships between you and your friends, the shelter you can find in advice from your teachers, or simply the connection to the school itself, St. Joseph's will always be a guiding star that you can both celebrate your accomplishments with or find solace in.

Dear Graduates of 2023, it may be time to bid farewell to the school, but this is not where your journey as a Josephian ends. Congratulations once again on reaching this milestone, and I wish you success in every one of your future endeavors. Godspeed!
